## **ABOUT**

# **INDIRA GANDHI INSTITUTE OF TECHNOLOGY**

Established in 1982, amidst the striking scenery and peaceful environment , IGIT Sarang has the dream platform for some of the extraordinary series of literary, cultural, technical, social and extra curricular extravaganza. In the last 36 years, IGIT stood the taste of times and has produced the best scholars, earning laurels all around the world.

## **ABOUT**

# **COMPUTER SCIENCE ENGINEERING & APPLICATIONS**

Approved by the Computer Society of India, due to its advanced technical laboratories, cyber club, diversities of courses offered numerous achievements and recruitment policy, it is certainly one of the best department of IGIT, Sarang over the years.

## **ABOUT**

# **TECHNOVATION**

Started in 2017, the Techno-Cultural fest of the Dept. of the Computer Science Engineering & Applications of IGIT, Sarang is back to provide a platform for young minds to showcase their innovative skills through technical, cultural and fun events.

## **MESSAGE FROM HEAD OF THE DEPARTMENT**

I am sure, it will satisfy the expectation from the institute of its laudable achievements and latest pedagogical approach to technical institution. I thus congratulate the organisers and all the students of IGIT, Sarang for the toil to make Technovation 2020 a huge success.

-Prof (Dr.) Sarojananda Mishra

## **MESSAGE FROM THE CONVENOR**

Technovation is the largest Computer Science Fest in Odisha as of now and I am proud to be a part of it. The workshops, seminars, technical shows, gadget related games, etc are meticulously planned and executed to the delight and knowledge of the participants. I hope that this year our fest will take the legacy to greater heights.

-Prof. S. K. Patra
